CONTENT

Effect of different drying methods on total lipid and fatty acid profiles of dried <i>Artemia franciscana</i> biomass <i>Nguyen Thi Ngoc Anh, Nguyen Thuan Nhi and Nguyen Van Hoa</i> 1	Extraction of bioactive compounds and spore powder collection from <i>Ganoderma lucidum</i> <i>Nguyen Minh Thuy and Nguyen Thi My Tuyen</i> ..53
Novel naphthalene glycoside derivative from leaves of <i>Cassia grandis</i> L.f <i>Ngo Quoc Luan, Vu Duy Khanh, Le Tien Dung, Mai Dinh Tri, Phan Nhat Minh, Nguyen Tan Phat, Nguyen Ngoc Hanh and Nguyen Kim Phi Phung</i> 10	Effect of enzymatic treatments on lycopene in vitro bioaccessibility in high pressure homogenized tomato puree and chromoplast fraction <i>Nguyen Thi My Tuyen and Nguyen Minh Thuy</i> ..61
The relationship of bitumen content, aggregate surface area, and extraction time using asphalt ignition furnace <i>Tran Trang Nhat</i> 14	Livestock production systems adapting to the global cri-ses in tropical developing countries - a review <i>Nguyen Van Thu</i> 69
FPGA implementation of lifting scheme daubechies discrete wavelet transform for real-time signal compression <i>Truong Phong Tuyen</i> 19	Agro-ecological dynamics in the coastal areas of the vi-etnamese Mekong Delta in the context of climate change (A case study in Bac Lieu province) <i>Pham Thanh Vu, Phan Hoang Vu, Van Pham Dang Tri and Nguyen Hieu Trung</i> 81
Vulnerability assessment in the coastal plain of the Vietnamese Mekong Delta <i>Pham Le My Duyen, Truong Thanh Tan, Van Pham Dang Tri, Tran Thi Le Hang and Hiroshi Takagi</i> 27	Predictive controlled-atmosphere-model for the opening of caps and sensory quality of fresh mushrooms (<i>Agaricus bisporus</i>) <i>Phan Thi Thanh Que, Bert Verlinden and Bart Nicolai</i> 89
The effects of probiotic supplementation on growth performance of weaning pigs in the Mekong Delta of Vietnam <i>Le Thi Men</i> 33	Lecturers' perceptions about employing critical thinking in educating geography pedagogy students at Can Tho University, Vietnam <i>Trinh Chi Tham</i> 96
The effect of preparation conditions on the properties of gelatin film from horse mackerel (<i>Tra-churus japonicus</i>) scale <i>Le Thi Minh Thuy, Nguyen Tan Dat, Nguyen Do Quynh and Kazufumi Osako</i> 39	Estimation of family labor supply: Evidence from the Mekong River Delta in Viet Nam <i>Huynh Truong Huy</i> 110
Preparation of fungal alcoholic starter using rice malt as substrate <i>Ngo Thi Phuong Dung, Nguyen Minh Doi and Huynh Xuan Phong</i> 47	An investigation into the levels of feedback and reflec-tion during pre-service teachers' micro-teaching practices <i>Nguyen Thi Hong Nam and Vo Huy Binh</i> 116

About the Journal

1. Can Tho University Journal of Science, ISSN 1859-2333 is published according to the publication license No. 101/GP.BTTTT dated on April 10, 2015 of the Ministry of Information and Communications.
2. The Journal publishes original research articles, review articles, short communications and technical articles on all aspects of Natural Sciences, Technology and Environment; Agriculture, Fisheries and Biotechnology; Social Sciences and Humanities; and Education and Political Sciences, Economics and Law. Only article that has not been previously published elsewhere, nor is it before another journal for consideration.
3. Manuscripts should contain up to 5 keywords and an abstract of up to 250 words. Each manuscript should not exceed 16 pages (A4) for research and technical article, 30 pages for a review article and 8 pages for a short communication including figures, charts, diagrams and reference materials, typed in the Times New Roman font with size 11 and double spacing.
4. Manuscripts should be prepared according to the following order: Article title, Author(s), Affiliation(s), Abstract, Keywords, Introduction, Materials and Methods, Theory/Calculation (if any), Results, Discussion, Conclusions, Acknowledgements (if there is), References. Each manuscript must be clearly defined and numbered sections. Subsections should be numbered 1, then 1.1, 1.1.1, a, b; then 1.2; etc. The abstract is not included in section numbering.
5. Citations may be made directly or parenthetically. Reference list should be arranged first alphabetically and then further sorted chronologically if necessary. More than one reference from the same author(s) in the same year must be identified by the letters 'a', 'b', 'c', etc., placed after the year of publication. Please see the detailed instructions to authors at the Journal website: sj.ctu.edu.vn.
