Comparision of genetic variation between avian influenza type A H5N1 virus causing disease and circulating on poultry in some provinces in the Mekong Delta in 2016 <i>Tien Ngoc Tien and Ly Thi Lien Khai</i> ..... 36	A weak law of large numbers and Poisson approximation problem for extension random sums of m-dependent random variables <i>Le Truong Giang and Trinh Huu Nghiem</i> ..... 100
Towards a new open educational resource model using OKMindmap <i>Bui Le Diem, Yong-Gi Kim, Bui Le Diem Trang and Won Ho</i> ..... 42	An evaluation female human resource in public administration with study case in the Mekong Delta <i>Nguyen Khanh Linh</i> ..... 104
A review of factors influencing learners' gain of English proficiency <i>Phuong Hoang Yen, Tran Mai Hien and Vo Phuong Quyen</i> ..... 49	Barriers to women' s participation in the Sustainable Rice Platform training course in Ke Sach district, Soc Trang province <i>Nguyen Huu Loi, Nguyen Hoang Khai and Huynh Quang Tin</i> ..... 112
The preparation of Ca <sub>2+</sub> -selective electrodes <i>Nguyen Van Dat, Huynh Thanh Tuan and Ronny Purwadi</i> ..... 60	
Comparative study of preparation and characterization of palladium nanosheets <i>Tran Thi Bich Quyen, Nguyen Thi Xuan Chi, Nguyen Thi Diem Nhi, Doan Van Hong Thien, Luong Huynh Vu Thanh and Bui Le Anh Tuan</i> ... 64	

## About the Journal

1. Can Tho University Journal of Science, ISSN 2615-9422 is published according to the publication license No. 101/GP.BTTTT dated on April 10, 2015 of the Ministry of Information and Communications.
2. The Journal publishes original research articles, review articles, short communications and technical articles on all aspects of Natural Sciences, Technology and Environment; Agriculture, Fisheries and Biotechnology; Social Sciences, Humanities and Education; Economics and Law. The article has not been earlier published in any other journal and is not being considered for publication elsewhere.
3. Manuscripts should contain up to 5 keywords and an abstract of up to 250 words. Each manuscript should not exceed 16 pages (A4) for research and technical article, 25 pages for a review article and 8 pages for a short communication including tables, figures and references, typed in the Times New Roman font with size 11 and double spacing.
4. Manuscripts should be prepared according to the following order: Article title, Author(s), Affiliation(s), Abstract, Keywords, Introduction, Materials and Methods, Theory/Calculation (if any), Results, Discussion, Conclusions, Acknowledgements (if any), References. Each manuscript must be clearly defined and numbered sections. Subsections should be numbered 1, then 1.1, 1.1.1, a, b; then 1.2; etc. The abstract is not included in section numbering; neither are Acknowledgements and References.
5. Citations may be made directly or parenthetically. The references should be arranged, but not numbered, first alphabetically and then further sorted chronologically if necessary. More than one reference from the same author(s) in the same year must be identified by the letters 'a', 'b', 'c', etc., placed after the year of publication. The detailed instructions to authors are available at the Journal website: [sj.ctu.edu.vn](http://sj.ctu.edu.vn).
6. Submission fees: 500,000 VND.
7. Online submission: [sj.ctu.edu.vn](http://sj.ctu.edu.vn).
