About the Journal

1. CTU Journal of Innovation and Sustainable Development, ISSN 2588-1418, e-ISSN 2815-6412 is published according to the publication license No. 233/GP.BTTTT dated July 10, 2023 granted by the Ministry of Information and Communications.
2. The Journal publishes original research articles and review articles on all aspects of Engineering Technology, Computer Science, Life Sciences, Economics and Management, Social Science and Education. The article has not been earlier published in any other journal and is not being considered for publication elsewhere.
3. Authors must follow the Journal's regulations and guidelines for preparing and submitting manuscripts at the website: ctujs.ctu.edu.vn
4. The Journal frequently receives manuscripts. After the peer-review process in accordance with the Journal's regulations, the approved manuscripts are published in full text at the website: ctujs.ctu.edu.vn
5. For further information and making a submission, please visit the Journal's website: ctujs.ctu.edu.vn
