## About the Journal

1. Can Tho University Journal of Science, ISSN 1859-2333 is published according to the publication license No. 101/GP.BTTTT dated on April 10, 2015 of the Ministry of Information and Communications.
2. The Journal publishes original research articles, review articles, short communications and technical articles on all aspects of Natural Sciences, Technology and Environment; Agriculture, Fisheries and Biotechnology; Social Sciences, Humanities and Education; Economics and Law. The article has not been earlier published in any other journal and is not being considered for publication elsewhere.
3. Manuscripts should contain up to 5 keywords and an abstract of up to 250 words. Each manuscript should not exceed 16 pages (A4) for research and technical article, 25 pages for a review article and 8 pages for a short communication including tables, figures and references, typed in the Times New Roman font with size 11 and double spacing.
4. Manuscripts should be prepared according to the following order: Article title, Author(s), Affiliation(s), Abstract, Keywords, Introduction, Materials and Methods, Theory/Calculation (if any), Results, Discussion, Conclusions, Acknowledgements (if any), References. Each manuscript must be clearly defined and numbered sections. Subsections should be numbered 1, then 1.1, 1.1.1, a, b; then 1.2; etc. The abstract is not included in section numbering; neither are Acknowledgements and References.
5. Citations may be made directly or parenthetically. The references should be arranged, but not numbered, first alphabetically and then further sorted chronologically if necessary. More than one reference from the same author(s) in the same year must be identified by the letters 'a', 'b', 'c', etc., placed after the year of publication. The detailed instructions to authors are available at the Journal website: [sj.ctu.edu.vn](http://sj.ctu.edu.vn).
6. Submission fees: 500,000 VND.
7. Online submission: [sj.ctu.edu.vn](http://sj.ctu.edu.vn).
